

GROUND MARKING

A properly marked playing oval with a boundary defined by a white line must not be marked with builders limit or slaked lime.

The white line shall be drawn between the behind post and goal post to define the score line.

The centre of the oval shall be marked with a square in the center of the ground which shall be 45 metres along each side and shall be parallel to the goal and behind posts at each end.

“Kick off areas” which shall be 10 metres from each goal line.

A line across joining the 2 goal lines.
